CONDITIONS OF CONTRACT

It is agreed that the goods described herein are accepted in apparent good order and condition, except as noted, for carriage subject to the conditions of contract on this air waybill.

The shipper certifies that the particulars on the face hereof are correct and that, insofar as any part of the consignment contains dangerous goods, it is properly described by name and is in proper condition for carriage by air according to the applicable regulations.

Carriage is subject to the rules relating to liability established by the Convention for the Unification of Certain Rules Relating to International Carriage by Air, unless the carriage is not international carriage as defined by that Convention.

Liability is limited to the amount stated in the applicable tariff unless a higher value for carriage is declared above and any supplementary charge paid. Claims for loss, damage or delay must be made in writing within the periods stated in the tariff.

The carrier may substitute alternate carriers or aircraft and may, without notice, use other means of transport. Agreed stopping places are those shown in the carrier's timetable as scheduled stopping places for the route.
