HOW TO RETURN

1. Repack the items in the original box or any sturdy carton, with the packing slip inside.
2. Tick the Return box beside every item you are sending back and write its reason code.
3. Cut along the dashed line and tape the label squarely to the outside of the parcel, covering any old labels.
4. Take the parcel to any Meridian drop-off point and keep the receipt until your refund lands.
5. Track the return with the barcode number; we email you as soon as the parcel is scanned in.

BEFORE YOU SEAL THE PARCEL

- All original tags, manuals and free gifts are in the box.
- Ceramics and glass are wrapped so nothing moves when shaken.
- No liquids over 250 ml, batteries or aerosols are enclosed.
- This form is inside the parcel, signed and dated.
